Reviews

Very beneficial to all class of individuals. This can be for those who statte there was not a worthy of looking at. Your way of life period is going to be change as soon as you total reading this article publication.

(Ebony Schowalter MD)

CHECKING C PROGRAMS WITH LINT (BOOK)

[DOWNLOAD](#)

O'Reilly Media, Inc, USA, United States, 1988. Book. Condition: New. Revised edition. Language: English. Brand new Book. The lint program checker has proven time and again to be one of the best tools for finding portability problems and certain types of coding errors in C programs. This book introduces you to lint, guides you through running it on your programs, and helps you to interpret lint's output. lint verifies a program or program segments against standard libraries, checks the code for common portability errors, and tests the programming against some tried and true guidelines. linting your code is a necessary (though not sufficient) step in writing clean, portable, effective programs.
